Various Finishes of NIRALI BG Sinks

Glossy

Glossy finished sinks have mirror like shining look.

Hairline Satin

Hairline Satin finish is similar to satin finish which undergoes additional polishing that gives the appearance of micro lines running across the length of the product, giving it a rich elegant look and feel.

(Available only in Expell, Magnus, Meritox Range)

Satin

Satin finished sinks have that rich, buffed silver look achieved by a hi-tech process. Nirali BG is the only brand that has specially imported these polishing machines from Germany & Italy, to attain this finish.

Anti-scratch

The special dotted surface on these sinks gives it Anti Scratch properties. Anti scratch sinks retain their contemporary elegant & immaculate look for years.
