WHAT DOES A CLUB MEAN ?

C = CARE

L = LUXURY

U = ULTIMATE
STRENGTH

B = BEST IN CLASS
FEATURES

A PLYWOOD CAN'T BE CALLED AS CLUB
UNLESS IT COMPARES ON THE ABOVE
FEATURES

A EPITOME OF LUXURY & STRENGTH

Green Club 700 is the epitome of durability, quality and performance. Exclusively crafted to meet the aesthetic and functional needs, it brings out sophistication in the most nuanced way.

Wood Like Strength:
Density & strength closer to the wood

Structural Grade:
Certified as per IS 10701

Lifetime Warranty:
Lifetime Warranty against manufacturing

Acoustically Effective:
Enhanced Noise/Sound control for quieter interiors

Borer, Fungus Proof & Anti-Termite Guarantee:
For long-lasting furniture

7x Money Back: Promise of 7X money back warranty

Zero Emission:
Zero formaldehyde emission for healthy interiors

CARB Certified: Global certification for Zero Emission plywood by California Air Resources Board

17 Layers* : that adds to the durability and strength

2X Fire Retardant:
Delaying spread of fire up to 90 minutes

Virashield: Anti-Viral and Anti-Bacterial

2x Waterproof: Water resistance up to 144 hours

Penta 5 technology : Advanced Penta 5 technology for strength & precision

Technical specifications

PARTICULARS	OBSERVED VALUES
Moisture content	5% to 20%
Density	820 Kgs/m ³
Formaldehyde Emission Level	E-0 Level
Fire Retardant Properties	Delays Fire by 90 mins*
Water Resistance Test	After 144 hrs
Adhesion of Plies	Excellent
Screw Holding Capacity	280 Kgs
Nail Holding Capacity	Upto 100 Kgs

PARTICULARS	OBSERVED VALUES
Tensile Strength:	
a) Along the grain	67 N/mm ²
b) Across the grain	46 N/mm ²
Static Bending Strength:	
a) Modulus of Rupture	
i) Along the grain	65.10 N/mm ²
ii) Across the grain	45.50 N/mm ²
b) Modulus of Elasticity	
i) Along the grain	8250 N/mm ²
ii) Across the grain	5215 N/mm ²

ULTIMATE STRENGTH FOR SUPERIOR STRUCTURES

Make your furniture strong, durable with the Club 500 ply. Give your home and enduring touch of protection and strength with Greenply Club 500- a flagship product from the house of Greenply.

Structural Grade:
Certified as per IS 10701

High Durability and strength

Lifetime Warranty:
Lifetime Warranty against manufacturing defects

Fire Safe: Limits Spread of Fire And Emits Less Smoke

5x Money Back: Promise of 5X money back warranty

Zero Emission: Zero formaldehyde emission for healthy interiors

CARB Certified: Global certification for Zero Emission plywood by California Air Resources Board

Borer, Fungus Proof & Anti-Termite Guarantee:
For long- lasting furniture

Penta 5 technology: Advanced Penta 5 technology for strength & precision

BWP Grade: Withstands Boiling Water Test

Virashield: Anti-Viral and Anti-Bacterial

Technical specifications

PARTICULARS	OBSERVED VALUES
Moisture content	5% to 15%
Density	770 Kgs/m ³
Formaldehyde Emission Level	E-0 Level
Water Resistance Test	108 hrs
Adhesion of Plies	Excellent
Screw Holding Capacity	230 Kgs
Nail Holding Capacity	170 Kgs
Panel Shear Strength	12.6 N/mm ²
Flame Penetration	Up to 50 mins

PARTICULARS	OBSERVED VALUES
Tensile Strength:	
a) Along the grain	60 N/mm ²
b) Across the grain	38 N/mm ²
Static Bending Strength:	
a) Modulus of Rupture	
i) Along the grain	58.70 N/mm ²
ii) Across the grain	38.60 N/mm ²
b) Modulus of Elasticity	
i) Along the grain	7750 N/mm ²
ii) Across the grain	4650 N/mm ²
Compressive Strength:	
a) Along the grain	36 N/mm ²
b) Across the grain	31 N/mm ²

2X SUPERIOR PLYWOOD

Bring the science of plywood home. PEN Technology (Phosphate Enriched Nanoparticle) makes plywood two times more fire resistant. It is twice as boiling waterproof as standard FR grade plywood since it is enriched with un-extended BWP resin.

2x Fire Retardant: Protective mesh that delays fire up to 90 minutes

Zero Emission: Zero formaldehyde emission for healthy interiors

4 Press Technology: Advanced 4 Press Technology to ensure utmost precision

2x Waterproof: Water resistance up to 144 hours

CARB Certified: Global certification for E-Zero plywood by California Air Resources Board

Calibrated: Top-notch Calibration that gives uniform thickness & super-smooth surface

2x Money Back: Promise of 2X money back warranty

Borer, Fungus Proof & Anti-Termite Guarantee: For long-lasting furniture

IS 5509: Fire retardant certification

Warranty: Best in class 30 Years Warranty against manufacturing defects

Virashield: Anti-Viral and Anti-Bacterial

Technical specifications
